## Health & Wellness Academy

---

Our classes according to their needs. We operate everything from mind opening yoga classes, to interactive personalized sessions with them. We teach our students to be aware of their body.

Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body.

We are inclined towards spreading the awareness of the benefits of yoga in society, in a very cost effective way. We are a non-profit organisation that focuses on eliminating unhealthy ways of living.
